

lesson plan

Topic/Title of project: The pros and cons of tourism

Goals:

- Students improve their reading skills by matching parts of a dialogue typical of the tourist area.
- Students practice their speaking skills when they tell a partner about their favourite holiday activities.
- Students make progress in their writing skills when they write a postcard home from holiday.
- Students expand their knowledge on the effect of tourism in the North Sea.
- Students develop their intercultural competence by working together with people from different countries.

Time	Phases/content	GA ¹	Material	Comments/Notes
1. Introduction				
	In a short talk, the teacher gives some introductory explanations: <ul style="list-style-type: none"> - General introduction and explanation about mud, mud-flats and islands in the North Sea, using a map. - Tourism plays a big role for the population/people there in general and their job opportunities esp. in the tourist industry. - However, for the regions tourism involves the danger of pollution and the loss of culture. 	TT		
	Example family living on the Dutch island Schiermonnikoog. → presenting OHP 1		OHP1
